VIEW OF BUIST'S ROSEDALE SEED FARM.

Dear Sir.— PHILADELPHIA, June 1, 1895.

I have the pleasure of mailing you my WHOLESALE TRADE CATALOGUE of the NEW CROP of TURNIP and RUTA BAGA SEEDS, and also other varieties for SUMMER and AUTUMN SOWING. The selling season is rapidly approaching, and to secure your seeds in time your order should be sent in at once.

THE CROP THIS SEASON will be the shortest harvested for many years, occasioned by the very unfavorable weather last Fall for producing roots and the great damage they sustained during the past Winter; the Red or Purple Top Flat and the Early White Flat Dutch Strap-leaved, suffered the most and from present appearances it is very doubtful if there will be sufficient seed of these two varieties to supply the demand, we therefore advise our customers to secure their requirements at once.

We have already booked orders for over six hundred thousand pounds of seed for June and July shipment and additional orders are being received daily; the trade is awakening up to the fact that we are about the only seed growers who can supply American grown seed in quantity this season.

BUIST'S TURNIP SEEDS are FAMOUS THROUGHOUT the SOUTH and WEST for their great PURITY and FINE QUALITY; always certain to grow and produce roots of the finest strain; this is owing to the careful selection we annually make of the LARGEST and FINEST FORMED ROOTS to produce the seed from which our crops are grown. BUIST'S GROWTH will not only give your customers perfect satisfaction, but annually increase your TURNIP SEED trade.

Your valued orders shall receive my personal attention.

Yours truly,

Robert Buist

NOTICE. The Buist's Morning Star Peas which we introduced a few years since have proved to be the earliest and most productive variety known, and is regarded by Market Gardeners as their best and most profitable shipping variety. For protection to ourselves and to insure the purchaser the true stock, we only sell them in our Sealed Packages and Sacks, the latter are of green muslin and contain ⅛, ¼, ½, or one bushel each. Buist's Morning Star offered in any other way is spurious stock. We insert this caution from the fact that a variety, sent the past season by a Philadelphia firm under this name, proved to be nothing but an ordinary sort full of runners and ten days later than the genuine stock.

BUIST'S
CELEBRATED CABBAGE SEED,

Awarded 22 First Premiums in a Single Season,

THE FINEST AND MOST RELIABLE STOCK KNOWN.

We have made the cultivation and improvement of Cabbage a specialty for a number of years, by selecting each year the largest and most perfectly formed heads for our own seed stock. This repeated selection extending over a period of more than twenty-five successive years, has produced what is considered by experienced cabbage-growers as the finest strain of late Cabbage in the world. In order to distinguish it from our other brands, it is marked "Buist's Improved," and is beautifully put up in illustrated papers, also in ¼, ½ and 1 lb. packages.

The great popularity of this brand has caused some houses to put up and sell the *ordinary stock of Cabbage under the name of the Improved*, which, of course, is an entirely different and cheaper grade of seed, and the same stock as we offer under the name of Premium.
